C-stykke	On the rooftop, Surrounded by the stars and the views hot. Ain't nobody thinking 'bout what you got. Everything's ours, wanna dip? Get a new spot. Don't worry, don't worry. The night never ends, no hurry no hurry. Shorty look thick and the lines get blurry. And the nights in your palm so we might get dirty. DJ, let the beat play, make a heat wave, when you replay this. Tonight we gone party like its D-day. Young and free saying this the one on my CK shit The Moon is the light, Sky is the ceiling. The low is the base and the high is the feeling. The world is the club, all in cause we can. This' one for the books don't worry bout a thang.	Am					C
